

## Centre Protocols- Reflective Exercise

### Instructions

Read the Centre Protocol document associated with the classroom you most frequently support. Answer the reflective questions below and submit this page to your Supervisor. Your Supervisor may use this information to prompt further discussion or reflective practice.

**Question 1:** While reading this document, think about your own classroom. Based on these criteria, what stood out to you as something you're doing successfully right now?

**Question 2:** While reading this document, think about your own classroom. Based on these criteria, what stood out to you as something you could continue to work on in your practice?

**VISION:** Responsive, accessible, and inclusive child care for all

**MISSION:** Excellence in early learning and child care

**VALUES:** Collaboration is the key, Equity and Belonging always, Excellence begins with us, Respect and integrity are essential & Trusting relationships connect us
